ABOUT NBAM

New Bedford Art Museum/ArtWorks!
is an **art museum** in New Bedford,
Massachusetts. Most artworks in the
museum are created by
contemporary artists.

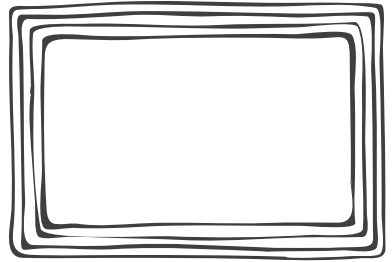

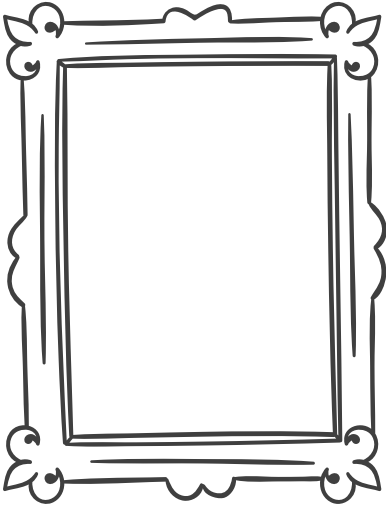

What is a **Contemporary
Art Museum?**

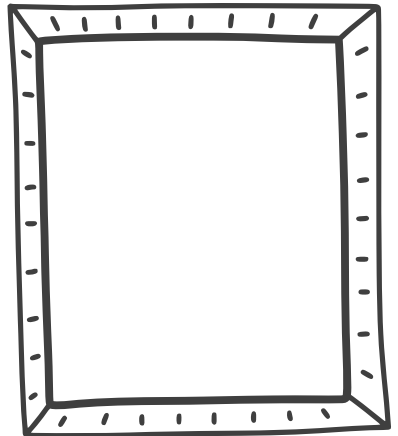

A building showing
artwork created by
current artists
of today.

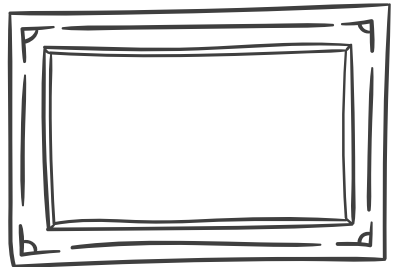

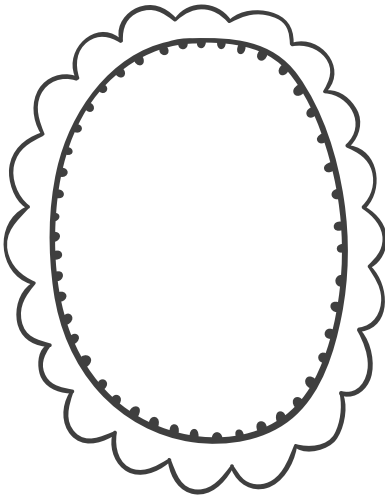

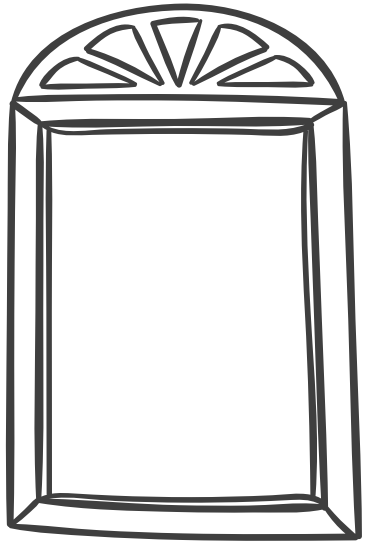

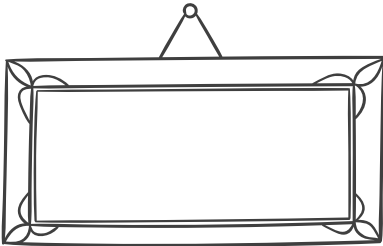

CURATE YOUR OWN SHOW

Artists sometimes
exhibit in museums
to show people
what is important to
them.

Imagine you have your own art show at NBAM. ***What do you want people to learn about you?***

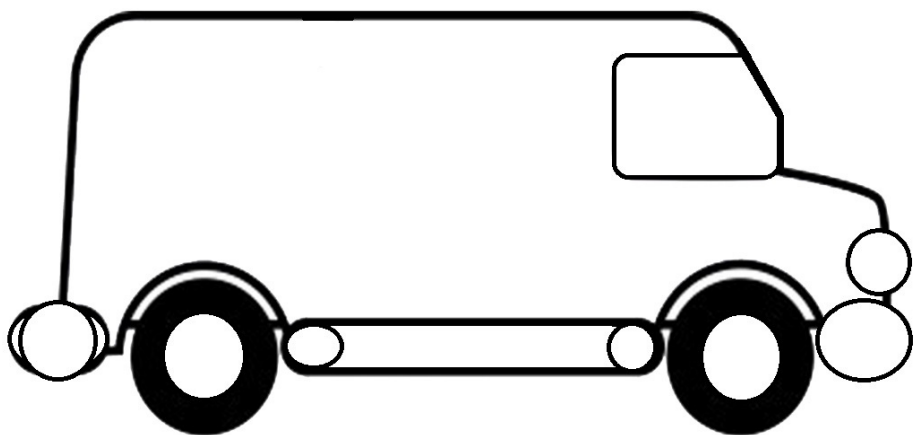

ON THE ROAD TO CREATIVITY

The Art Museum has a lot of programs for youth, teens, and adults. Our longest-running art program is called the ***artMOBILE.***

DESIGN
YOUR
OWN

The **artMOBILE** vans travel through New Bedford and beyond giving free art activities to our community.

Can you design your own unique artMOBILE van?
